automatycznie na wszystkich platformach!

TAK WIĘC, ZMODYFIKOWANE WCZEŚNIEJ NOWE OKNO APLIKACJI...

novacura

BĘDZIE NATYCHMIAST DZIAŁAĆ W TEN SPOSÓB:

CECHY SZCZEGÓLNE

- Klient posiada dostęp do "kodów źródłowych"
- Pracownicy "z biznesu" rozumieją aplikację
- Możliwość adaptacji „w locie” – przy użytkowniku końcowym
- Użytkownik końcowy czuje się „zaopiekowany” – jego głos może być wysłuchany
- Z natury mobilne i procesowe
- Aplikacje są proste i prowadzą za rękę (szybki „onboarding”)
